MPSC Performance Review Process

- Program identified, MPSC sends initial inquiry letter requesting information
- Questionnaire, Transplant Log to validate, and request for synopsis of events
- Program submits requested information to MPSC
- Information due by deadlines in initial inquiry letter
- Reviewed by Ad Hoc Subcommittee of 3 PAIS members
- Ad hoc recommendations go to PAIS and MPSC
- Recommendation of Ad Hoc Subcommittee reviewed by PAIS and MPSC
- Recommendation on consent or discussion agenda
- MPSC communicates action to program by letter
- Performance review process can be a cycle of submitting requested information
