**4.01A Board of Directors Action**

After the MPSC forwards a recommendation to the Board of Directors for which an applicant or Member waives the hearing and appellate review rights or after the conclusion of hearing and appellate review proceedings, the Board shall render its final decision in the matter (which, in the case of an appellate review proceeding, shall be the decision of the Appellate Review Body) in writing and shall send notice thereof to the applicant or Member by certified or registered mail. A majority vote by a quorum is required for the Board to take any action permitted by these Bylaws. Notice of a final decision by the Board of Directors that the Member has been placed on probation shall be circulated to all members. Notice of a final decision by the Board of Directors that the Member has been declared Not in Good Standing shall be circulated to all Members unless the Board of Directors determines such notice is not appropriate as part of the corrective action. The membership shall be notified of final decisions by the Board to recommend suspension of membership privileges or termination of membership.
